**Service Available: 05/01/2023 9:00 am CST to 05/01/2024 8:59 am CST**

---

[Honeoye Storage Corporation](#) is pleased to announce the availability of **300,000 Dth** of Priority Non-Firm Storage Service (PNFSS) at market-based rates under its Section 284 PNFSS Tariff. This PNFSS storage capacity is being offered with specific storage capacities and injection/withdrawal limitations.

**Storage Availability:**

Type of Service	Available Capacity (Maximum Storage Quantity)
PNFSS	300,000

Requests for service may be for all or part of this available capacity. Storage services are available for injection commencing on 05/01/2023, 9:00 am CST at Honeoye's interconnection with Kinder Morgan LLC [Tennessee Gas Pipeline Company](#) (TGP) valve 236 location in Ontario County, NY.

**Offer Time Frame:**

[Honeoye Storage Corporation](#) invites offers for this PNFSS storage capacity commencing on 03/20/2023 9:00 am CST, and extending until 09:00 am CST on 04/5/2023.

**Contract Term**

Offers are to be made for service beginning 05/01/2023, 9:00 am CST and ending 05/01/2024 8:59 am CST.

**Injection and Withdrawal Limitations:**

The following table identifies the injection and withdrawal periods and limitations associated with each type of Priority Non-Firm Storage Service being offered:

<b>PNFSS Firm Service Storage Service</b>		
<b>Injection Period</b>	<b>Inventory Level</b>	<b>Maximum Daily Injection Quantity</b>
05/01/2023 9:00 am CST to 04/30/2024 8:59 am CST	0% to 100%	2,500 Dth/d
<b>Withdrawal Period</b>	<b>Inventory Level</b>	<b>Maximum Daily Withdrawal Quantity</b>
05/02/2023 9:00 am CST to 05/01/2024 8:59 am CST	100% to 0%	2,500 Dth/d
Overrun Injections and/or Overrun Withdrawals made on a best effort basis.		

**Reservations:**

HSC reserves the right to reject any or all offers.

**Fuel and Loss Allowance:**

A total surface operating allowance of 1.0% shall be retained during injection and withdrawal (1.0% on injection and 1.0% on withdrawal).

**Tariff and Minimum Quantities:**

Potential customers must contract for this Part 284 PNFSS service under terms of Honeoye's Original Volume No. 1a [FERC Gas Tariff](#). Offers should be made for at least **25,000 Dths** of Maximum Quantity Stored. Honeoye will provide all necessary cushion gas.

**Minimum Overrun Injection/Withdrawal Rate**

The minimum acceptable rate for Overrun Injection and/or Overrun Withdrawal is \$0.03 per Dth

**Contract Extensions**

HSC may be willing to extend the awarded contract term for up to 3 years if mutually agreed upon with winning bidder

**Transportation Arrangements**

A customer must make arrangements for gas transportation to and from Honeoye's existing interconnection with Kinder Morgan LLC, [Tennessee Gas Pipeline](#) (TGP) in Ontario County, New York. Gas shall be delivered to Honeoye at the TGP valve #236 location. Deliveries to Honeoye will be made at meter 420526; Receipts from Honeoye at meter 011106.

**Submitting a Formal Bid for Firm Service**

A formal bid for the Part 284 service may be made by completing in writing and returning the [Service Request Form](#) (HSC Tariff Pg. 82), to be found herein, together with the supplemental documents and payments specified on that form. Offers should be made according to the procedures outlined in Section 2, General Terms and Conditions of the Tariff. Upon acceptance of an offer, a bidder must execute a PNFSS Storage Service Agreement (HSC Tariff Pg. 86) in a timely manner.
